Let's identify

What are the three reasons for proposing Wang Zhiguo?

Let's identify page 63

3 Wang Zhiguo is well-versed in the traditional Chinese art form, Peking opera.

At an early age, he studied at the National Academy of Theater Arts to receive professional training in the role of *laosheng*. Because of his performance of *Wenzhao Pass*, he won appreciation by an elderly Peking opera master.

Reason 1

4 He is striving to popularize the traditional art form, which fits aim of the show.

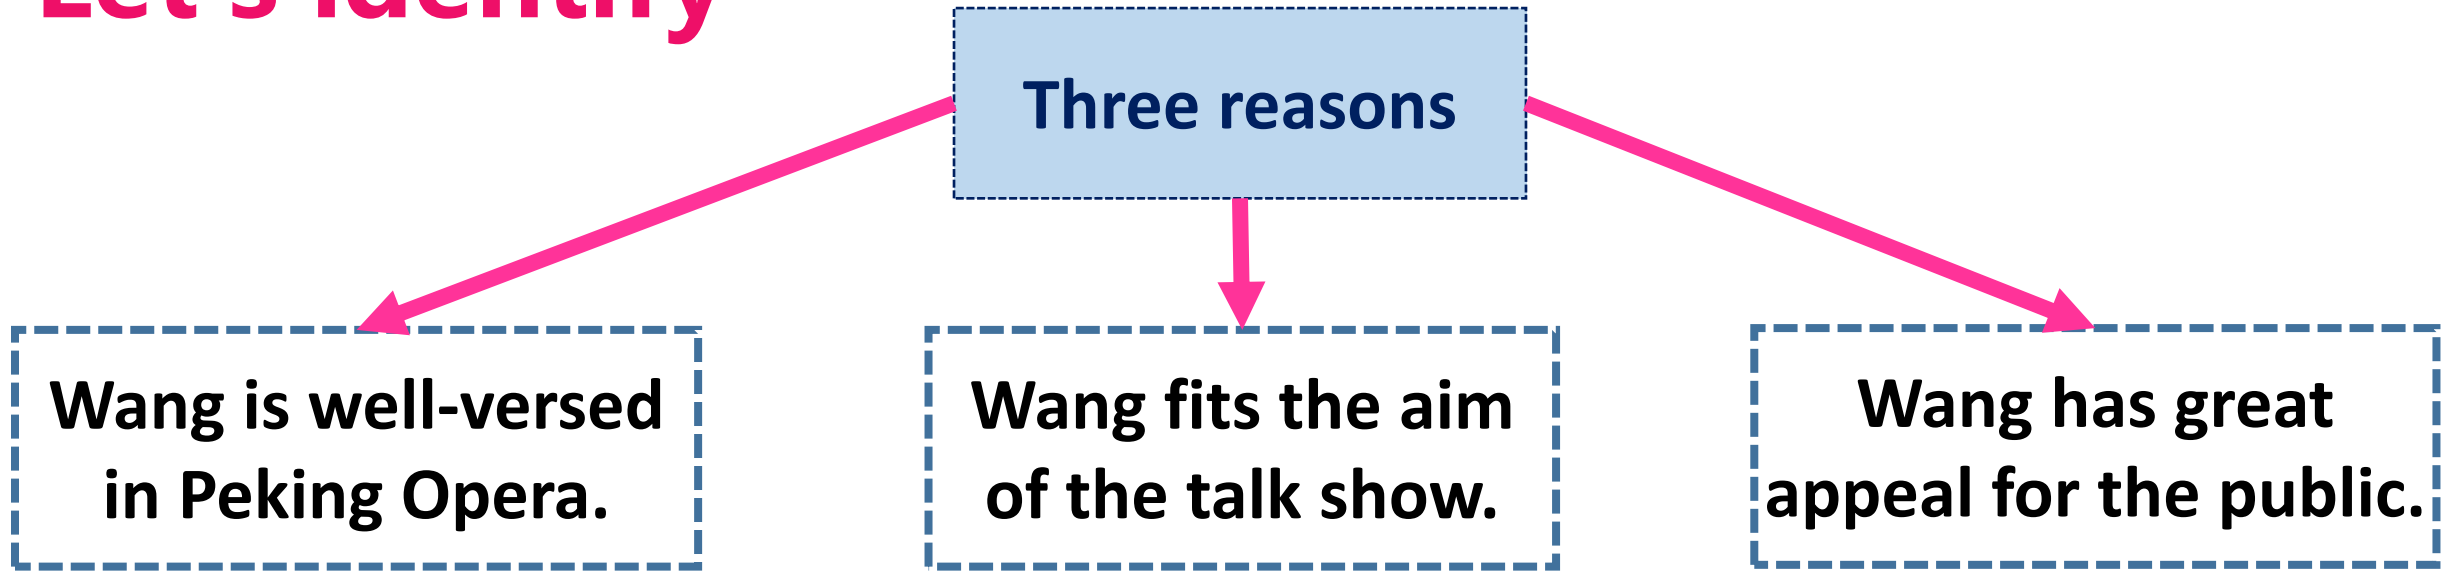

The new stage show he created is an example. He also attended TV and Internet shows to promote his new stage show and Peking opera.

Reason 2

5 What's more, he has great appeal for the public. He held three performances of his new stage show in the Grand Theater and all the 15,000 tickets were sold out. In addition, all the shows he attended had the highest audience ratings among others over the same time period.
