Chapter 1	Introduction	1
1.1	Research Background	2
1.2	Theoretical Framework	6
1.2.1	Educational Ecology	7
1.2.2	Outcome-Based Education	8
1.2.3	Bloom's Taxonomy	9
1.2.4	Community of Inquiry	12
1.3	Conceptual Framework	15
1.4	Statement of the Problems	17
1.5	Hypothesis	19
1.6	Scope and Limitations of the Study	21
1.7	Significance of the Study	22
Chapter 2	Literature Review	25
2.1	Studies on Blended Teaching in College English Courses	25
2.1.1	Development Trends of Blended Teaching Research in College English Courses	25
2.1.2	Highly Cited Literature	27
2.1.3	Research Hotspots of Blended Teaching in College English Courses	28
2.2	Studies on the BOPPPS Teaching Model	38
2.2.1	Definition of the BOPPPS Teaching Model	38
2.2.2	Development of the BOPPPS Teaching Model	41

Chapter 3	Methodology	46
3.1	Research Design	46
3.2	Population and Sampling	47
3.3	Research Participants	47
3.4	Research Instruments	51
3.4.1	Questionnaire Surveys	51
3.4.2	Interviews	53
3.4.3	Observation	55
3.4.4	Language Proficiency Test	57
3.5	Data Collection Procedures	58
3.5.1	Questionnaire Surveys	58
3.5.2	Interviews	59
3.5.3	Observations	60
3.5.4	Language Proficiency Test	62
3.6	Statistical Treatment of Data	63
3.6.1	Likert Scale Questionnaire	64
3.6.2	SPSS	64
3.6.3	Chi-square Test	65
3.6.4	T-test	66
3.6.5	Qualitative Data Analysis	66
3.6.6	Triangulation	67
3.6.7	Integration of Findings	67
Chapter 4	Analysis and Findings	68
4.1	A Plausible Simple Concept of Blended Language Teaching	69
4.2	Challenges Faced by Students and Instructors in a Blended Language Teaching Environment	71
4.2.1	Challenges Faced by Students	71

4.2.2 Challenges Faced by Instructors	77
Chapter 5 Discussions	84
5.1 Adaptation Strategies	85
5.1.1 Design of Action Plan	85
5.1.2 Procedures for Blended Teaching with BOPPPS Model	86
5.1.3 The Practices of the BT-BOPPPS Model in English Writing Course	99
5.2 Perceptions and Performances of Instructors and Students	135
5.2.1 Instructors' Perceptions	137
5.2.2 Students' Perceptions	144
5.2.3 Teacher and Student Performance in Classroom Teaching and Learning	155
Chapter 6 Iterative Improvement	167
6.1 Enhancing the Layered Design of Autonomous Learning Tasks	167
6.2 Strengthening Self-Regulated Learning Strategies	168
6.3 Fostering the Development of Creative Thinking	169
Chapter 7 Conclusions and Recommendations	171
7.1 Summary of the Major Findings	171
7.2 Suggestions for Future Research	175
